

Recommended Performance Standards State Planning Advisory Committee Iowa Council on Homelessness

These standards will apply to an organization – not a Continuum of Care or the system as a whole. They are intentionally focused on the impacts for clients served by the organization.

Standard	Outreach	ES	TH	PSH	RR	Prevention	HF
Performance A high-performing organization providing services to those experiencing or at risk of homelessness should...							
ensure that clients have the opportunity to choose to be off the street.	X	X	X	X	X	X	X
ensure that clients have basic needs met, e.g. food, shelter, clothing, safety.	X	X	X	X	X	X	X
ensure that clients have the opportunity to connect with mainstream resources.	X	X	X	X	X	X	X
ensure that clients have the opportunity to connect with resources to increase income.	X	X	X	X	X	X	X
ensure that clients have the opportunity to pursue earned income through employment, if appropriate.	X	X	X	X	X	X	X
support clients in their progress toward identified goals.		X	X	X	X	X	X
assist clients in managing identified barriers.		X	X	X	X	X	X
support clients in achieving financial stability and long-term, safe, housing.		X	X	X	X	X	X
