Attached is the amended GIW for the Iowa Balance of State. The Grant number IA0074L7D011300 (Line 34) was changed to reflect the proposed budget for the FAVA project. The new budget line items have been revised to reflect the transfer of funds from the acquisition/rehabilitation BLIs to accommodate the grantee's request to add a leasing category and increase the supportive services, operating, HMIS and administrative BLIs. The number of units has also change from 4 to 10.

I hope I have everything correct as Charlie House, the CPD Representative handling the project, is on vacation. Let me know if you have any questions.
