Hi Amber,

I know its been a few months since we last touched base, but I am happy to let you know that the request we submitted to HUD to provide technical assistance to the Iowa Balance of State was just approved!

I was hoping that we could catch up on what has been going on in the CoC since we last talked, which I believe was in March (in anticipation of your April 11th CoC grantee meeting). I know that during that call we helped brainstorm an activity for the April 11th meeting to help us move the TA forward. How did that go? Are there other things that have been going on in the CoC that we should know about?

If its easier, perhaps we can set up a time to talk in the next few days or next week. Are there days/times that work well for you? Are there others (such as Tim or Carrie) that you want to bring into that conversation?

Thank you, and we look forward to continuing our work with you and the Iowa Balance of State!

Alissa
